Best Books for IIT JEE (Foundation) Preparation: Class 6 Besides NCERT textbook, books published by Pearson and MTG publication are often recommended by experts. This revolutionary series would help students to streamline their preparation with comprehensive reliable content, video solutions and interactive tests. Physics, Chemistry and Mathematics are compulsory subjects. Besides NCERT textbooks the books given below are recommended for Class 9 students. The objective of this series is to provide authentic and class-tested content for effective preparation to build a strong foundation for better scores. Let's learn about class-wise different books recommended by subject experts and teachers of reputed coaching centres. Candidates who have passed class 12th/ equivalent examination in the year 2018, 2019 or appearing in 2020 can appear in JEE Main- 2020. No options can be changed at a later stage after submission of an application. From 2020, there will be 75 questions in JEE Main. Each Candidate is allowed to submit only one Application Form. Pearson and MTG publication also publish books for Class 6 & Class 7 students and these books are also helpful for the preparation of competitive exams. Selection of date/slot of Computer Based Examination of Paper-1. For B.Arch/B.Plan, instead of drawing section there will be a section of questions on Planning. Size of the signature must be greater than 1KB and less than 30 KB. Step 2: Uploading scanned images of Photograph and Signature: Width = 3.5 cm; Height = 4.5 cm Width = 3.5 cm; Height = 1.5 cm Size of the photograph must be greater than 4 KB and less than 40 KB. These books have been recommended by subject experts and teachers of reputed coaching centres. The whole package is crafted for students targeting JEE, NEET, Olympiad, NTSE, KVPY and other key entrance examinations. Subjects: It is mandatory for Candidates to have studied at least 5 subjects in 10+2. Class 11th, 12th and 12th pass students can check the details of best books for IIT JEE Preparation (for JEE Mains & Advanced recommended by Toppers) from the link given below IIT JEE Toppers' Interview Video: Check Now! Best Books for JEE Main & JEE Advanced Preparation: Recommended by Toppers & Professors The bestseller Pearson Foundation series 2022 has taken the shape of a blended source by offering Course Book with Mobile app. should be used. Best Books for IIT JEE (Foundation) Preparation: Class 9 Many students join foundation classes from class 9 onwards or start preparing for IIT JEE from this class. These books are also considered as best foundation books for IIT JEE preparation from Class 6. Aadhar card is mandatory for application process. Candidates can attempt JEE Advanced only for 2 consecutive years. There is no OFFLINE mode of Application. Best Books for IIT JEE (Foundation) Preparation: Class 7 Best Books for IIT JEE (Foundation) Preparation: Class 8 Books published by these publications are also recommended for Class 8 students who are planning to appear for various competitive exams in future. The mode of Application for JEE Main-2019 is ONLINE only. Physics and Measurement Kinematics Laws of Motion Work, Energy and Power Rotational Motion Gravitation Properties of Solids and Liquids Thermodynamics Kinetic Theory of Gases Oscillations and Waves Electrostatics Current Electricity Magnetic Effects of Current and Magnetism Electromagnetic Induction and Alternating Currents Electromagnetic Waves Optics Dual Nature of Matter and Radiation Atoms and Nuclei Electronic Devices Communication Systems Some Basics Concepts of Chemistry States of Matter Atomic Structure Chemical Bonding and Molecular Structure Chemical Thermodynamics Solutions Equilibrium Redox Reactions and Electrochemistry Chemical Kinetics Surface Chemistry Classification of Elements and Periodicity in Properties General Principles and Processes of Isolation of Metals Hydrogen s-Block Elements p-Block Elements d- and f-Block Elements Coordination Compounds Environmental Chemistry Purification and Characterisation of Organic Compounds Hydrocarbons Organic Compounds containing Halogen, Oxygen, Nitrogen Polymers Biomolecules Chemistry in Everyday Life Principles Related to Practical Chemistry Sets, Relations and Functions Complex Numbers and Quadratic Equations Matrices and Determinants Permutations and Combinations Binomial Theorem and its Simple Applications Sequences and Series Limit, Continuity and Differentiability Integral Calculus Differential Equations Coordinate Geometry Three-Dimensional Geometry Vector Algebra Statistics and Probability Trigonometry Mathematical Reasoning Age: Candidates who have passed class 12th/ equivalent examination in 2018, 2019 or appearing in 2020 are eligible to apply for JEE Main 2019 exam. Candidates belonging to Scheduled Caste (SC), Scheduled Tribe (ST) and Persons with Disabilities (PwD), must have been born on or after October 1, 1990 to be eligible for JEE Main. Please ensure your eligibility for the JEE Main exam as per the eligibility criteria laid down. Due to this reason, the level of competition in various competitive exams like JEE Main & JEE Advanced is increasing year by year. Score in 12th standard or equivalent exam: General category candidates require a minimum score of at least 75% or should be in the top 20 percentile in their respective 12th board or equivalent examination. For SC or ST candidates, the minimum score is 65%. Candidates are required to take printout of Acknowledgement Page and keep it for future reference. Experts and teachers often recommend that students who are aspiring to study in reputed institutes like IIT (Indian Institute of Technology), NIT (National Institute of Technology), IIIT (Indian Institute of Information Technology) should start preparing from early classes. The Acknowledgement Page is NOT required to be sent to JEE (Main) Secretariat.
